Dear Sebastian the Ibis ,

Below is your priority appointment date and time to utilize during the Lakeside Village selection process that takes place on Friday, **February 17th**.

- **02/17/2023 9:00 AM** Eastern Daylight Savings Time

There are approximately 2200 applicants. Having an appointment time does not guarantee that you will be able to reserve a space in Lakeside Village. If your desired space is not available to meet your individual or group needs, or you are not interested in participating in this round, you may alternatively look to participate in the Eaton Residential College process.

Prior to your scheduled time slot, look at available room layouts on our [website](#). Once there you can also check on projected [costs and amenities](#) for the various unit types. The housing [website](#) has user guides available to explain the steps of the selection process.

Search criteria for specific room types/models will be by individual units and floors. Once certain room types/models are filled up and are no longer available for selection, an update will be provided on the housing portal.

If you are part of a roommate group, only the person in the group with the earliest appointment time should go into [the Housing Portal](#) to complete the reservation process and select individual bedrooms/bedspaces for the entire group. Individual bedspace reservations for groups of 2-4 are done by the person completing the reservation process, so make sure that person knows the group's desired placement within the apartment. Once a reservation has been made an applicant cannot select another room later in the room selection process. Each applicant only has one reservation. Any desired changes to individual reservations will be considered through the room change process, once the housing selection process concludes. This applies to groups as well; if your roommate group has assigned you to a room, you will not be able to change it during the room selection process.

Specific time slots will be issued for Eaton on February 20th after 5pm. At the conclusion of room selection, those unable to secure a space will receive follow up via their UM student email account on next steps.

If there are further questions about the Lakeside Village room selection process, or you need to reach us, please visit our Contact Us page on our [website](#).
